Hiring Manager

TE Connectivity

Bengaluru, India

Subject: Application for the
Position of **Business
Intelligence Analyst I**

Dear Hiring Manager,

I am excited to apply for the Business Intelligence Analyst I role at TE Connectivity. I hold a B.Tech in Computer Science and Engineering (AI & ML) from the University of Engineering and Management, Jaipur, and have hands-on experience in Python, SQL, data visualization, and basic machine learning.

My academic and project work includes data pre-processing, analysis with Pandas and Seaborn, and creating REST APIs in full-stack applications. I am also familiar with Git, Jupyter Notebooks, and basic cloud concepts. I'm a quick learner, strong team player, and passionate about using data to drive insights and improvements.

I'm eager to contribute to TE Connectivity's digital transformation and grow within your innovative team. Thank you for considering my application.

Sincerely,
Sumona Banerjee
