

Python Backend Developer

Company: SentienGeeks

Location: Kolkata (On-site/Hybrid)

Experience: 2+ Years

SentienGeeks is looking for a skilled **Python Backend Developer** with over 2 years of experience in building scalable backend systems and RESTful APIs. The ideal candidate should have hands-on experience with **Django/FastAPI, SQL databases, and cloud deployment (AWS preferred)**. You will be responsible for developing robust APIs, optimizing backend performance, and collaborating with cross-functional teams in an agile environment.
